Maybe even better than free.

So try our free and simple filehosting service now. We have no file size limit. There are no restrictions on the number of times a file can be downloaded. filehosting provides an easy possibility for you to send large files to your friends. This is easy, fast and reliable filehosting! You don't need any kind ofpremium-accounts. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between yourcomputer or phone and our servers, then from our servers to your friends device. You don't need any special software installed to be able to download yourfiles. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Keep your files private,or send your download links only to friends or family. No account or credit card is required to get started. It is also allowed to link to the download page fromwebsites and communities. You can upload any type of file (movies, music, documents, images, zip files and more). Simply upload your file and share the link.You can give this download link to your friends by mail or instant messenger. Using file, you can circumvent those limits without paying to upgrade your teamchat service. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Why pay storage fees for a file that you justwanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. The cost of that datatransfer is covered by your internet service or the data plan on your phone. Unfortunately, we can't make that part free. Alternatively you can choose to shareyour download links on blogs, forums and social networking sites. You decide who you want to share your files with. Files can be downloaded from anycomputer from our high speed servers. If only we could, we surely would! On the other hand, using file can actually save you money. Any file in any formatcan be uploaded and downloaded for free. Just upload the file you want to share with your friends and we send you a download link to your file. Our service iscompletely free for everyone. File is free to use with no gotchas and no hidden fees.
